

ACCENT Theatre to Give Youth Benefit Show

Members of the Youth Coordinating Council now selling tickets for the benefit performance of "Night of January Benefit" to be presented for them May 6 at the YWCA by ACCENT Theatre! have been boosted in their efforts by the fact that all the money they take in will be clear profit, according to W. C. Boswell, production manager of the civic theatre association. Announcement that an individual and an organization had given the youth a hand was made at a business meeting last Friday night.

Dr. M. A. Bauman has donated the amount of the royalty to the youth drive, and the YWCA has agreed to waive all rental on the hall. Both offers were made as a stimulus to the young people to sell all the tickets provided by ACCENT Theatre! and thus add impetus to their drive for a recreation center.

"Dr. Nauman specifically insisted that the money for royalties go to teenagers," Boswell said. "Before his offer at our business meeting, it was understood that the young people would have to remit twelve-and-a-half cents per ticket, but now that the royalty is paid, everything they take in will be theirs."

Over forty members, many of

them newcomers, were present at the fourth major business gathering of the group, which was founded here February 22. Paid memberships have increased to over thirty. Mrs. Paul Harsted, membership chairman, announced. Several regular members and supporters were not present at the meeting, thus indicating that nearly seventy adults have shown an interest in becoming full-fledged members, she estimated.

Routine business was conducted by the president, H. F. Heinen, who asked for reports on the progress of the first production, which is a courtroom melodrama. A ticket sales campaign, to be known as "ACCENT! Putsch" was set for the following day, and volunteers lined up to man the sound truck, the ticket table at the home of Miss Betty Kissler.

Mrs. W. C. Boswell, a Recreation Commissioner, said at the close of the meeting that "this theatre movement is drawing increasing attention from the community. It is not only structured to help the young, but also it is built to give adults a really exciting and rewarding pastime. I think it is the most challenging and most democratic activity in adult recreation that I've seen."

She seconded her husband's motion that the time limit for charter memberships be extended.

The Delta Y-Teens had a car wash Saturday. All the members worked to raise money for the Centennial Fund, a fund for the celebration of the YWCA's 100th birthday. Each Y-Teen group is donating as much as possible to this fund along with the name of the girl from their individual club that they want to rein for the evening. The queen will be chosen from the club contributing the largest amount of money. She will be crowned by Student Body President Joe Fazio.

Recently Penny Phillips gave a house-warming in tribute to her new home. Many of her friends attended the party while Alex Merolat, Jerry Rusk, Karen Heister, Joan Jernigan, Diane Berry, Darlene Wolverson, and ed to include many persons in the city who so far have been involved to join.

"Pick Up and Cut Out," and "Perfect 36" will be the three plays given this year. It should prove to be a very enjoyable evening for those attending. Tickets are on sale at the shack for 50 cents.

Congratulations are due both Robin Cockerill and Jo O'Hanlan who have both received their acceptance letters to Redlands University. They will start next fall.
